RAILROAD SPIKES.

A dispatch from Salem states the long expected order for reduction of express rates in Eastern Oregon has been made by the state railroad commission. The decrease is about one-third. The rate from Portland to La Grande is reduced from \$3.50 a hundred to \$2.25, and if the Enterprise rate is proportionately reduced it would be from \$4.25 to \$2.75. J. E. Conners, one of the popular conductors on this branch, has a passenger run on the main line during the rush of west-bound traffic.

WORK COMMENCED ON WATER SYSTEM

CLEARING GROUND AT SPRINGS BEGUN MONDAY—COUNCIL PROCEEDINGS.

Work was begun clearing away the underbrush at the Whitmore springs Monday morning, preparatory to the actual work of digging the trench for the city water works pipe. Superintendent Uhlen says the laying of the pipe would begin in about two weeks.

Practically all the right of way has been secured except through one man's field. The council paid \$100 for right of way from Aaron Wade.

Aside from discussing the water works, the council had little business before it Monday night. H. E. Merryman asked for the vacation of an alley in his addition between lots 21, 22, 23, 24 and 19 and 20. An ordinance was ordered drawn.

The street committee reported contracts for three cement crosswalks. The following bills were ordered paid:

Charles Thomas, labor	\$15 00
W. S. Clayton, hauling rock	1 50
E. J. Forsythe, lights	52 80
D. W. Clemmons, police 1 day	3 00
W. E. Taggart, April pay and rent	6 00
C. M. Lockwood, April pay	5 00
T. M. Dill, April pay	5 00
News Record, printing, etc.	9 50

Council ordered that owners of the creamery and the Enterprise planing mill place spark screens over the smokestacks of their plants.

Council adjourned to meet Wednesday night to canvass the election result.

MAY DAY PICNICS.

The entire high school, excepting only three students and Principal Kerns, who were unable to attend, enjoyed a May Day picnic on the Island four miles above town Saturday. Miss Corinne Bue was chosen May Queen, a maypole erected and the old time dance given. The girls furnished a fine basket dinner and altogether a most enjoyable day was spent.

Eleven couples of Enterprise and Joseph young folks enjoyed a picnic at the lake and falls Sunday. Those participating were Mr. and Mrs. Ira

Pratt, Misses Sadie and Effie Houck of Joseph, Audrey Combes, Elsie Lomatch, Ethel Wenner, Lucile Corkins, Mae Bowby, Edna Browning and Lily Logan of Enterprise; Dr. Goldsberry and Harley Hambleton of Joseph, C. G. Blyeu, Hallie Boswell, A. C. Conaway, Roger Kay, Fred Savage, Herb Browning, Jacob Bauer and Arthur Pace of Enterprise.

Rev. W. S. Crockett will preach in the Christian church, this Wednesday, evening.

MEETING AT COURT HOUSE. All citizens of Enterprise are requested to meet at the court house Wednesday night at 7:30 o'clock when matters of importance to the town will be considered. A. C. Miller, Pres. Commercial Club.

Wallowa's Queen Of Rose Festival

Contest Opened Monday—Prize Includes Trip to Portland and Seattle.

The contest for Wallowa County Queen of the Portland Rose Festival was opened Monday morning in this city and so far there have been three nominations—Miss Edna Brown, Miss Eula Forsythe and Miss Joyce Craig. Voting opened brisk and far more votes were polled Tuesday than at the city election. Votes will be counted once a week and announcement of the standing of the contestants made through the newspapers of the county.

The voting places are the drug stores of the valley towns and the general stores at Flora. Nominations can be made at any polling place. Blanks for that purpose can be secured at the same places. Two responsible citizens must sign the nomination blank before a candidate is in the race. It is thought the contest will develop considerable friendly rivalry, as the prize is a rich one—a fine, free trip to the Rose Festival at Portland, the Alaska-Yukon-Pacific exposition at Seattle besides the honor of representing the county in the magnificent Spirit of the Golden West parade.

Death of Mrs. Dishman. Mrs. Sallie Dishman, wife of W. I. Dishman, died at her home in Portland Monday of heart trouble, and will be buried in that city Thursday at 2:30 p. m. The deceased is well known in this county and was the daughter of Mr. and Mrs. James Day of north of Enterprise. Besides her husband she leaves two children.

C. E. McFerrer of Olympia, Wash., left Monday for Idaho points, after a visit at a few days with his sister, Mrs. Thos. Morgan of Prairie Creek.

Two-Thirds Tax Collected. Sheriff Marvin has collected \$82, 325.88 of the 1908 tax. The total roll including the special levies amounts to \$121,507.09, so a full two-thirds of the total has been received and turned over to Treasurer Bell. This is considered a fine showing and close collection as there is five months yet before the tax becomes delinquent.

General News In Portland Letter

County Judges And Commissioners To Get Together—Rose Festival.

Portland, May 3.—The Oregon palate is never without a relish for a good warm soaking, growing rain, but never has it tasted more like a fall meal than during the last days of dry, record breaking April.

"Raise more hogs and get more wealth by sending the Oregon brand of packing house products to every market of the world" is a motto that should be announced from every school and pulpit, and be emblazoned on the walls of every commercial organization in the state.

The Horse and Cattle sales at Portland has opened the eyes of live stock breeders in every part of the United States and Canada to the fact that Oregon is the best market for good things in that line in the United States.

Without regard to the exact spot in which they may reside, Oregon people are beginning to realize fully the tremendous benefit of the Annual Rose Festival, which this year begins June 7, continuing until the 12th. This Festival emphasizes to people at a distance the extremely favorable climatic conditions which make possible the production of the finest roses in the world.

County Judge J. B. Messick of Baker county, upon the request of several county courts of the state, has issued a call for a state meeting of the County Courts and County Commissioners, at which it is expected to perfect a state organization similar to those existing in other states. Judge Lionel R. Webster, of Multnomah county, will act as chairman of the Reception committee, with power to name his associates. The gathering will convene at ten o'clock Tuesday morning, June 7, and continue through the day. An arrangement has been made for the county courts and judges to secure a point of vantage to witness the Rose Festival parade Monday night and also the one Tuesday afternoon. Tuesday morning the convention will close its session, devoting the afternoon to the festivities.

County Commissioners, Sheriffs and Engineers have derived great benefit from their organizations throughout the entire United States, and it is certainly meet that the county courts and county commissioners who practically handle the public affairs of each county, should get together for the benefit of each other's experience.

Oregonians don't wish anybody hard luck, but they never get sufficiently sympathetic, when the fruit crop falls in the older states, to "mark down" the price at which we "hold up" the balance of the world for its best apples.

LOSTINE

Lostine, May 3.—The assembly room in the school house was filled to the doors Friday night to hear the graduating exercises of the class of '09. The graduates of the 10th grade were Myrtle Edwards, Elsie Varner, Mina Allen, and of the 8th Anna Fins, Vella Zerres and Irvin Cole. Miss Edwards was valedictorian and Miss Varner delivered the salutatory. Miss Zerres read an essay and Misses Fins and Allen gave recitations. The diplomas were presented by County Supt. J. C. Conley. Music, both vocal and instrumental, helped make up a very interesting program. The class gave evidence of careful training and as a whole is a credit to the teachers and the school.
